The AMERICAN LEGION

GIRL GETS SERVICE MEDAL

Emblem Presented to New York High School Miss in Recognition of Patriotic Work.

As a tribute to her patriotic services during the World war, Miss Pauline Henkel, a fourteen-year old New York high school girl, was presented with a patriotic service gold medal by F. W. Galbraith, Jr., national commander of the American Legion, in behalf of S. Rankin Drew post. The presentation ceremonies took place in front of the Fifth Avenue public library in New York city.

The guard of honor for Miss Henkel, who is known as the "Little Colonel," was composed of members of the marine corps under command of Lieutenants Miller and Gumpertz and Sergeant Janssen, congressional medal of honor men.

Although she was only ten years old at the start of the World war, the Little Colonel sold \$3,330,250 worth of Liberty bonds, more than any other minor in the country, and also was recognized as one of the most effective patriotic speakers and war workers in America.

With the return of the American soldiers to their native land, Miss Henkel is still devoting herself to their welfare, as attested by the following quotation from her speech of acceptance:

"The happiest moment of my life will be when it is a fact that the wounded, disabled and unemployed of our boys have been taken care of in a manner befitting the sacrifices they have made. The cause of the disabled

MISS PAULINE HENKEL.

should come above everything else in our hearts. Let us take care of the men who saved our country; we owe them an obligation we cannot afford to ignore."

LEGION POST ADOPTS CREED

Member of Somerville (Mass.) Organization Is Author of Paragraphs Worthy of Consideration.

Somerville (Mass.) post of the American Legion has adopted the following creed, written by one of its members:

"I believe the American Legion is a dependable organization.

"I believe that the American Legion is a potent factor in the community.

"I believe that the American Legion stands for equality for all ex-service men.

"I believe that the American Legion's ideas never will be shelved.

"I believe that the American Legion will gallantly stand by what is right and help to destroy what is wrong.

"I believe that the American Legion's principles are immutable by any violent or radical individual or organization.

"I believe that the American Legion will help to bring peace out of chaos.

"I believe that the American Legion is looking forward, not backward.

"I believe that the American Legion is a constructive unit, not a destructive unit.

"I believe that the American Legion is an asset to ex-service men, not a liability.

"I believe it. Do you?"

Sets 40,000 Members as Goal.

With 24,000 members at the end of 1920, Kansas department of the American Legion has set 40,000 Legionnaires as its goal for 1921. The state has a potential membership of 60,000. The department now numbers 314 posts of the Legion and 108 units of the Women's Auxiliary.

Distributing Victory Medals.

Although there will be no more army recruiting for some time, the recruiting officers will continue to distribute Victory medals to members of the American Legion and other ex-service men.

HE'S TYPICAL LEGION WORKER

Connecticut Man Is Chosen Department Adjutant for Period of Three Years.

Thomas J. Bannigan has received the unique distinction of being elected adjutant of the Connecticut department of the American Legion for a period of three years. He is also in charge of the service division at department headquarters.

Mr. Bannigan was born in Utica, N. Y. He received his education in schools of that city and in Georgetown Academy. He came to New Britain, Conn., 25 years ago and in 1911 moved to Hartford where he is engaged in the wholesale and retail cigar business.

During the war Mr. Bannigan served as a captain. Returning to Hartford at the end of the war, he gave his efforts to revitalizing his business. In February, 1919, when the city of Hartford needed a capable man to direct its Soldiers, Sailors and Marines club, Mr. Bannigan was asked to take the job. Despite the call of his business, he abandoned it again, through patriotic motives, to supervise the club.

A record-maker in the formation and organization of Rat-Locks post No. 8, Mr. Bannigan soon became one of the most prominent Legionnaires in the state and was elected as the first state adjutant. Department headquarters had been without a permanent location, using a room in the Service club as quarters. Mr. Bannigan prevailed upon the city authorities to turn the building over to the Legion.

Mr. Bannigan is also a member of the national committee on war risk insurance and compensation and is chairman of the Hartford Elks' national soldiers' fund committee.

TO TURN HOSPITAL TO STATE

Texas Department of American Legion to Relinquish Control of Kerrville Institution.

The Texas department of the American Legion is completing arrangements to turn the Legion Memorial hospital at Kerrville over to the state, in order that the provisions of the bill appropriating \$1,500,000 to expand the institution to a capacity of 600 tubercular patients, passed by the state legislature, may be carried out.

The Legion will maintain its hospital organization, which will co-operate with the state health officer, the superintendent of the state tuberculosis sanatorium and the chairman of the state board of control, the officers designated to supervise the expenditure of the appropriation.

Charles W. Scruggs, state adjutant of the Legion, has expressed the appreciation of the ex-service men as follows:

"The governor of the great State of Texas has met our expectations and I am firmly convinced has only consummated the sentiment of the people of Texas by signing the Legion Memorial hospital bill. The Legion is proud to share with the governor and with the legislature our inordinate pride in the consummation of this splendid endeavor and fulfillment of our fundamental duty to Texas' disabled ex-service men."

Kansas Passes Laws for Legion.

That the voice of the ex-service men of Kansas, as represented by the American Legion, has been heard in legislation beneficial to veterans of the World war. The legislature of that state has passed the following bills affecting ex-service men: An adjusted compensation bill, in the form of an enabling act; an act granting to all ex-service men of the World war the same rights, privileges and immunities granted to veterans of other wars; an appropriation of \$1,000 a year for general expenses of state headquarters of the Legion; an act protecting the Legion and Auxiliary emblems from unauthorized use; exemption from taxation of all property held in the name of the Legion; an act placing under the care of Legion posts erring young boys paroled from industrial schools; and a boxing bill.

Eight Bars on Victory Medal.

George Leander, a member of Argonne Post of the American Legion at Des Moines, Ia., has eight bars on his Victory medal.
